

Haus der Musik is a modern, interactive experience museum in the centre of Vienna. It invites its visitors on a musical journey. On 5,000 square metres, the fascinating world of music becomes audible and visible in real and virtual exhibition rooms. Infotainment, edutainment and entertainment - these three principles are held high at Haus der Musik. Experience and knowledge are combined in a way that is as impressive as it is fun.

MUSEUM OF THE VIENNA PHILHARMONIC

Discover the fascinating history of the world-famous orchestra in the historic parts of the building, which is also the orchestra's founding site.

THE VIENNA PHILHARMONIC NEW YEAR'S CONCERT

It is probably the most famous concert in the world. In the Vienna-Golden-Hall-inspired movie theatre, you can experience the latest, original Viennese New Year's Concert.

SONOTOPIA UNIVERSE & LAB

The *Sonotopia* Science Centre and Virtual Reality Experience invites experimenters to create their own *Clong*. Sound phenomena and giant instruments can be explored here.

THE GREAT COMPOSERS OF THE VIENNESE MUSIC TRADITION

Take a multi-faceted journey through time to Vienna's great composers and discover Haydn, Mozart, Beethoven, Schubert, Strauss, Mahler and Schönberg in multimedia exhibition areas.

WALTZ-DICE-GAME

Intuitively and playfully compose your very own waltz bar by bar with the interactive, unique *Waltz-Dice-Game*.

NAMADEUS & THE VIRTUAL CONDUCTOR

With *Namadeus*, change your name into an original Mozart composition and conduct the world-famous Vienna Philharmonic Orchestra. You set the tone and tempo!
